CSI COMMUNICATIONS COMMITTEE - Improve you and your family's vocabulary by discussing word roots.

"Tele" comes from the Greek and means at, over, from, or to a distance. **Television** transmits pictures over distance.

Telephones transmit sound. Do you know the meaning of **telegraph** and **telecast** and **telephoto**? How about **telekinesis**, **telemeter**, **teleology**, and **telepathy**? A more extensive vocabulary leads to better reading comprehension, one of our two CSI goals.

STUDENTS AT THE CENTER - the DoDEA website has recently added this "interactive educational resource for families, military leaders and educational leaders to help address the unique needs of students who have parents serving in our nation's military forces." Go to <http://www.dodea.edu> to access the ***Student at the Center*** link. Examples of topics pertinent to military parents include: *Supporting the Unique Needs of a Military-Connected Child; Military Supports for Students; Navigating the U.S. Education System; Choosing a School; Ways to Support a Child's Education; Effective Advocacy 101; and Staying Connected to a Community.*

DoDEA "Parent & Community Resources" - <http://dodea.edu/parents/> contains a variety of resources available to parents. The latest addition is the ***March 2 Success*** link containing resources and materials for students and parents to help improve scores on standardized tests such as the SAT, ACT, state exit exams and ASVAB. "***March 2 Success*** is a free, no obligation tool that provides educational content to help students improve their knowledge and test scores in the areas of Language Arts, Math and Science. Content is provided by industry leaders Peterson's, Educational Options, and College Options Foundation".

DoDEA Graduation Requirements - DoDEA Regulation 2000.1 outlines the graduation requirements, specifying the number of credits to be earned in each Subject Area and the minimum 2.0 cumulative Grade Point Average (GPA) needed to graduate. If you have questions concerning the credits needed and/or the 2.0 GPA requirement, please contact the counselor at 535-4228. Information about DoDEA Graduation Requirements can also be obtained from the DoDEA Website, <http://www.dodea.edu/students/graduation.cfm>

HIGH SCHOOL STUDENT ACCELERATION - In accordance with DoDEA Administrator's Manual 1005.1, the principal may authorize accelerated withdrawal for a student who must withdraw 20 or less instructional days prior to the end of a semester grading period due to their family being reassigned. This acceleration provision applies only to students taking high school level courses for high school credit. Acceleration ensures that a student is not adversely affected by their family's reassignment occurring before the end of a completed semester. **Note: acceleration is not permitted for personal family leave during the Winter Break and/or early return of dependents stateside in May.** To qualify for acceleration, the student's sponsor must officially notify the school of the family's reassignment and submit a copy of their PCS Orders. The school will notify teachers of the student's acceleration and each teacher will prepare an acceleration plan wherein the student will be assigned assignments that would essentially cover much of the subject content for the remainder of the semester. When the student is withdrawn within the 20 day window, he/she will receive final grades for the semester. If more information is needed concerning the DoDEA student acceleration policy or to determine if your child might qualify for acceleration, please contact the counselor at 535-4228.

STATESIDE SCHOOL INFORMATION for PCS'ing PARENTS- Need information about stateside schools in the state where you are being reassigned? If so, go to the ***Education Resource Center*** at <http://www.militarychild.org/military-parent/education-resource-center/> and begin your search for school-related information. This site will allow you to select any of the fifty states and to access general as well as specific information about a state's specific requirements along with the kinds of educational resources available in that state.

SCHOOL RECORDS for PCS'ing STUDENTS - Parents/sponsors should contact the school registrar (535-3357) when PCS orders have been received to schedule a date and time to pick up their child's records. DoDEA policy is to provide a complete set of student records to the parents/sponsors at the time of the student's withdrawal from
